## **Black Diamond Video Ranks 13th on San Francisco Business Times' Fast 100 List**

**Point Richmond, California, October 28, 2011** – Black Diamond Video, Inc. today announced that it ranks thirteenth on the list of the “Top 100 Fastest-Growing Private Companies” in the Bay Area by the San Francisco Business Times, and fifth in the “East Bay Fast 45.” These prestigious rankings were released in the October 28, 2011 edition of the Business Times in recognition of Black Diamond Video’s rapid development from 2008 through 2010, a growth percentage of 402.4%.

"It's an honor to be recognized as one of the Bay Area's fastest growing private companies," commented Edward Priest, Founder and CEO of Black Diamond Video. "In 2004, we were founded to design and manufacture the highest quality video technology for the medical and commercial markets. I can say with confidence that we have achieved this goal and will continue to provide innovative solutions and support to our customers."

The “Top 100 Fastest Growing Private Companies” list is created annually and ranks privately held companies in the Bay Area by percentage of revenue growth during the three most recent fiscal years.

### **About Black Diamond Video**

Black Diamond Video is the leading manufacturer and integrator of high-resolution, digital video processing solutions for mission-critical medical and commercial applications. The company manufactures a complete product line of single-link and dual-link DVI matrix switches, processors, scalars, signal conditioners, converters, displays, system controllers, digital recorders, and H.264 streaming and conferencing technology.
