Dear Friends of Steve Bambauer:

It is with a heavy heart we write to share that Steve Bambauer, Senior Medical Territory Manager at Black Diamond Video, tragically passed away on Monday, May 5, 2014. Steve was a dedicated husband, father, coach and hard-working team player. To lose such a genuine and honorable man is beyond words.

Steve never viewed our customers as business acquaintances, but rather as friends of the company. His deep respect for every customer, commitment to the patients they serve, and belief that better technology would truly help clinicians deliver better care were hallmarks of his approach to business.

During his tenure at BDV, Steve established cherished relationships with many hospitals and clinicians across the country. Prior to working at BDV, he facilitated OR design at Berchtold Corporation, and previously represented a wide range of products at Stryker.

The obituary link below outlines the wonderful family man Steve was:
